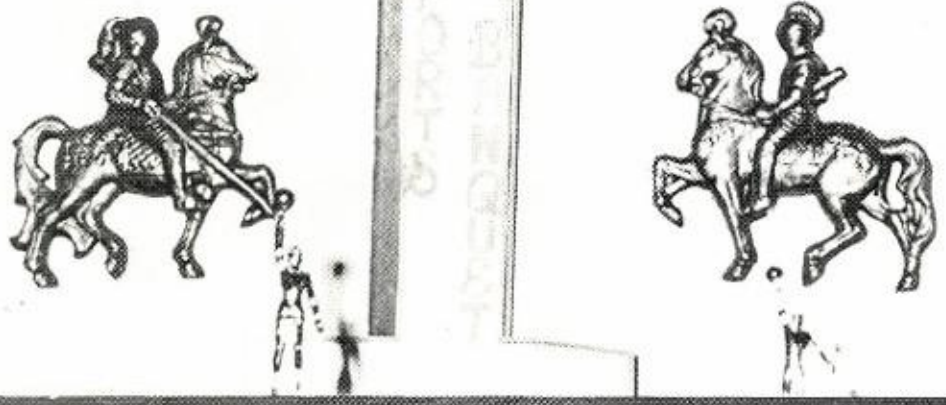
WE OWE IT ALL TO GOD!



Our Charger Spirit Unites Us

As '71-'72 draws fast to an end,

We have some thoughts, with you to lend.

For our football team the year was busy and rough

But once again they proved they were tough.

We commend our basketball team for what they've done,

They've given us the title of "Number 1."

But it didn't stop there, oh no indeed,

In all competition we managed to succeed.

We all joined together in unity with might;

Our SPIRIT was what helped us win our fight.

We backed our teams with confidence

When they heard our roar, so immense.

But we kept in mind the right attitude,

And gave to God all our gratitude.

He helped us out in every way,

And gave us the school we have today.

D. C. will be something we'll always prize;

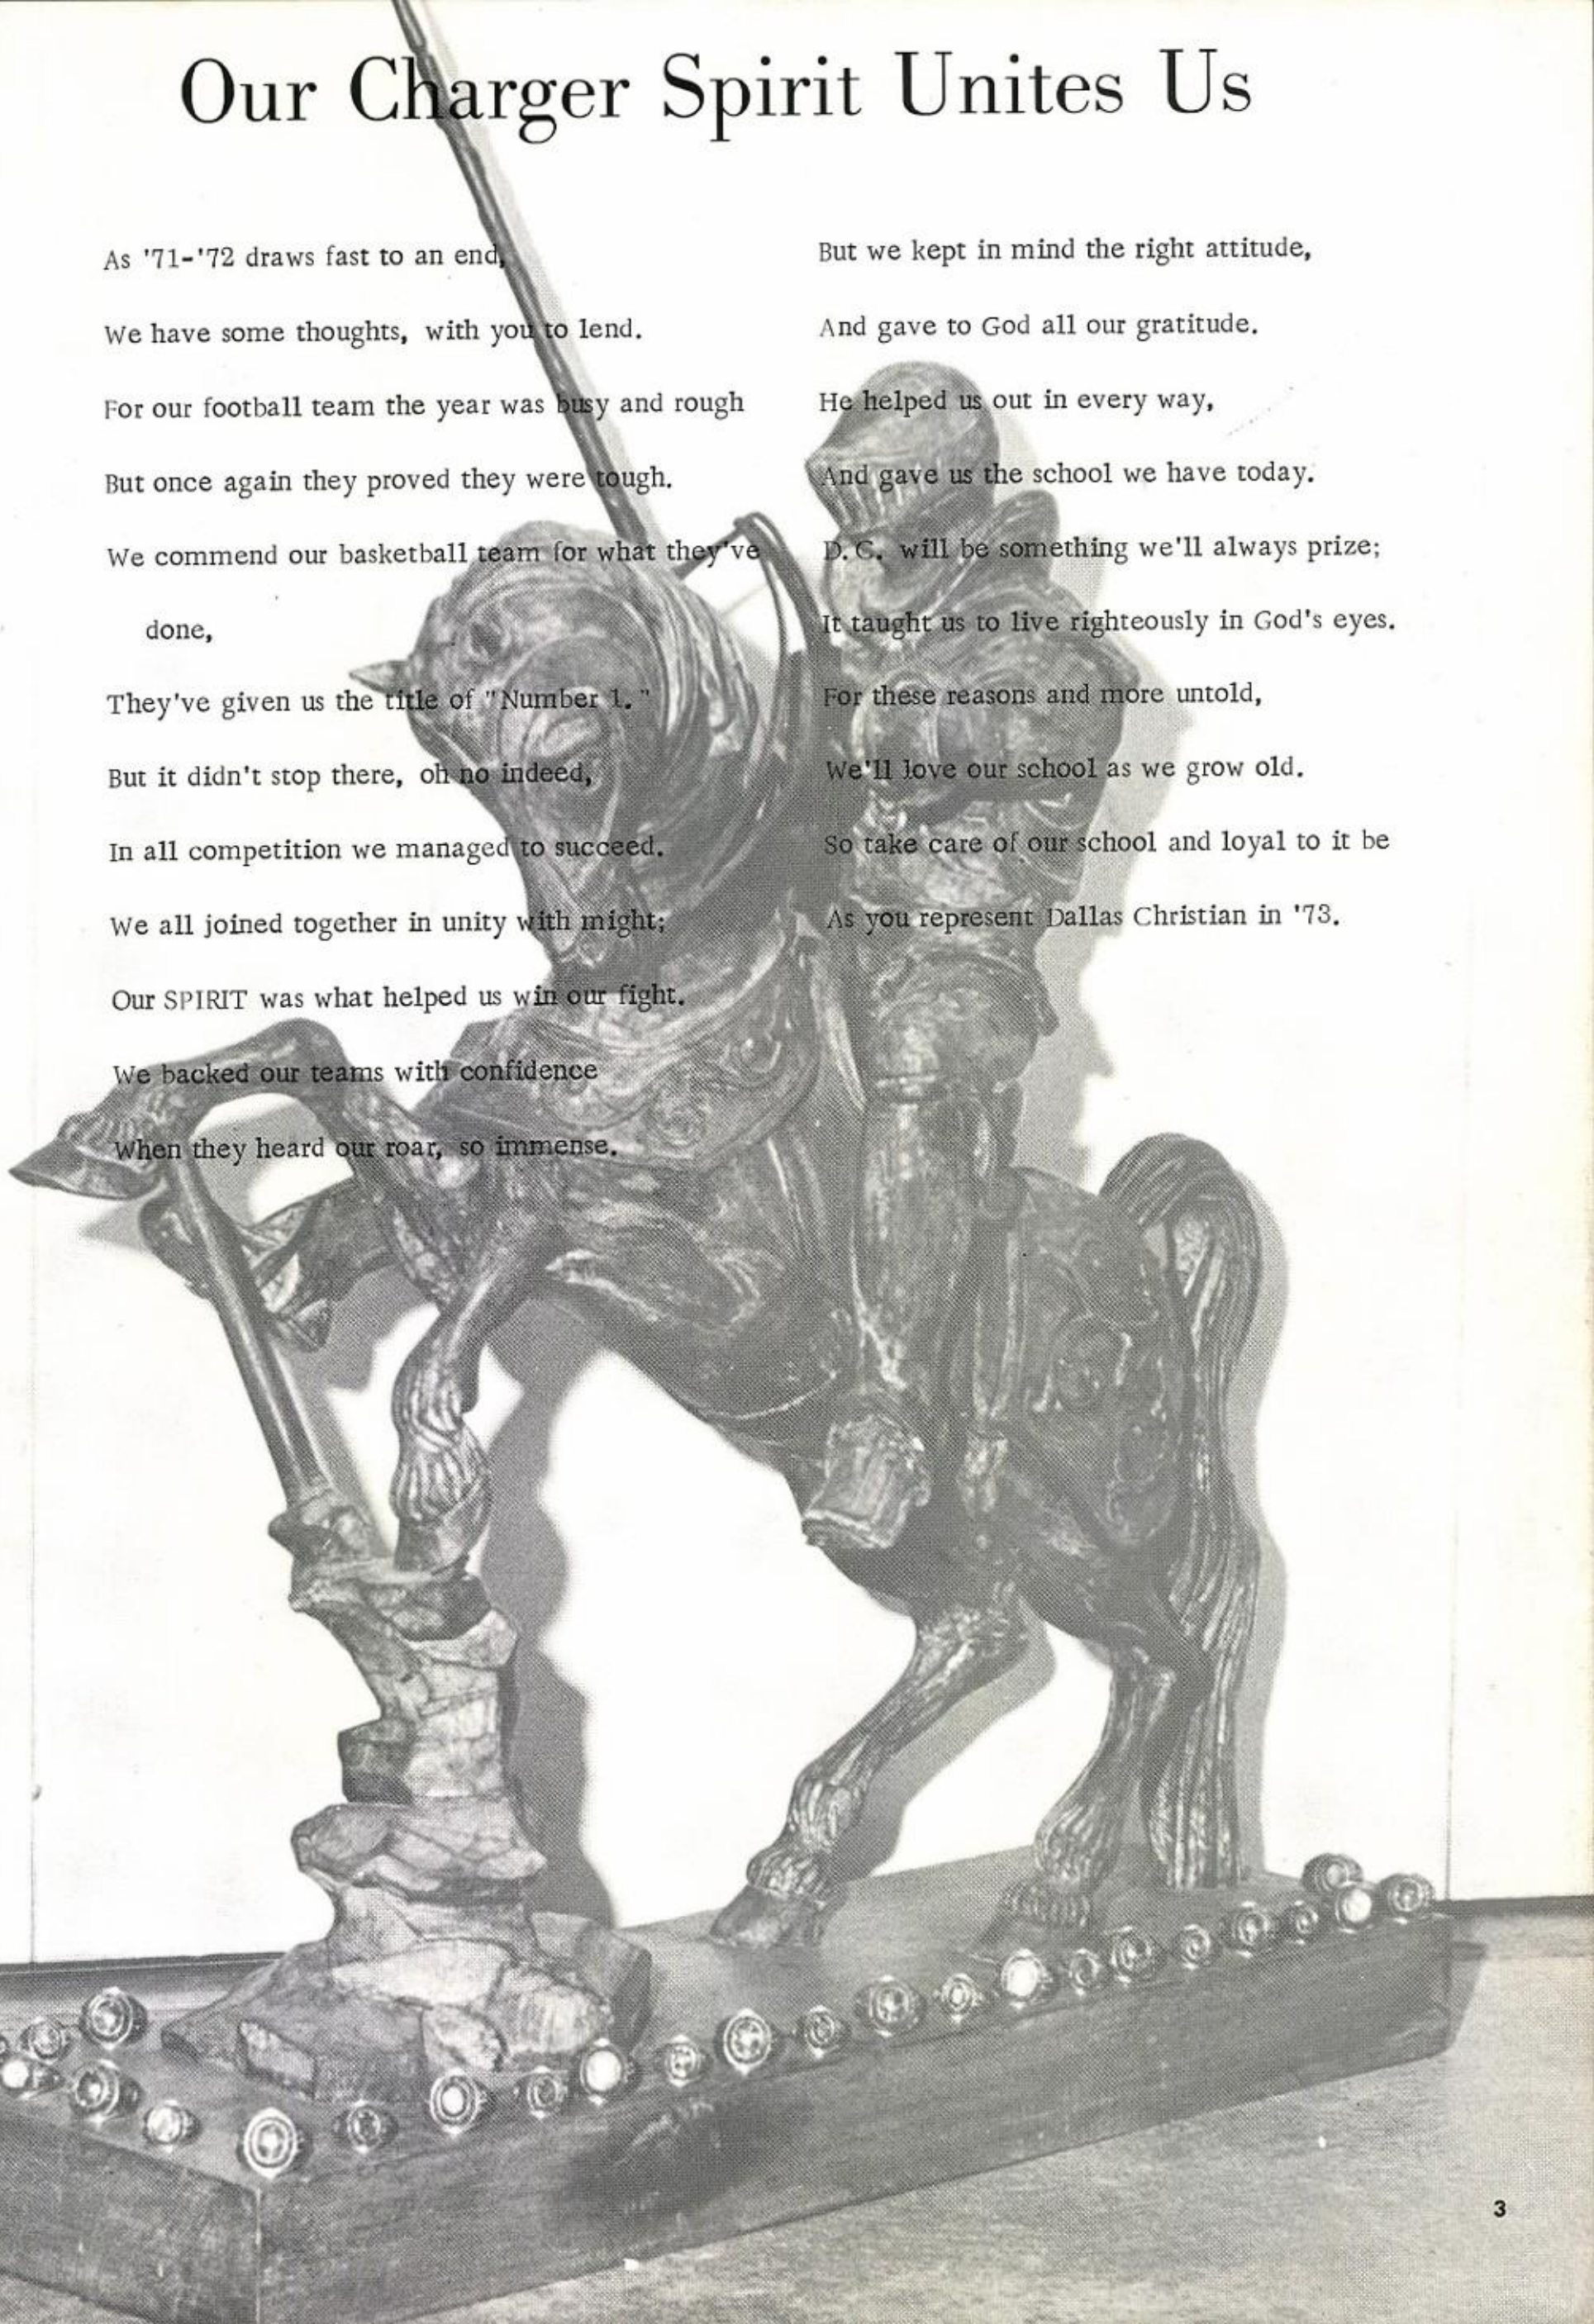
It taught us to live righteously in God's eyes.

For these reasons and more untold,

We'll love our school as we grow old.

So take care of our school and loyal to it be

As you represent Dallas Christian in '73.



Miller

Self sacrifice and a spirit of loyal service mark the 11 1/2 years Estelle Miller has given to Dallas Christian High. Because of her devotion to her work, the annual staff dedicates the 1972 SQUIRE to her.

Mrs. Miller not only performs required duties but is always willing to go that second mile. You can always depend upon this Christian woman to help with any worthy cause. Typical of this service, is printing programs, brochures and other materials for countless organizations on campus and off. Being a school nurse, mother, chaperone and disciplinarian is secondary to her. Confidant to faculty, staff, administration and students, Mrs. Miller continues to portray the spirit of Christianity.

ADMINISTRATION

Administrators Show Spirit of Service

Dallas Christian High began its 15th year under the administrative leadership of these persons. Their spiritual guidance and Christian example have set the pace for the school system.

We have come a long way from our beginnings with two kindergartens and one first grade class to a complete system through the twelfth grade. The school became fully accredited in 1963 under the leadership of Dr. Frank Alexander who was the administrator at that time.

Our graduates this year received 28 scholarships ranging from $75 to full tuition from colleges and universities across the country. Two DC graduates, Melinda Davis and Brad Willits, plan to spend two years in Italy as missionaries.

Many students gained scholastic recognition this year. Among those chosen for outstanding High School Students were Terrye Cox, Judy Dunavant, Cindy Cumbie, Nancy Straughan, David Hatfield, Chuck Underwood and Carolyn Hall. Listed in Merit's Who's Who were Jeff Haseltine, Larry Nickie Russo, John Reeder, Anne Campbell, Cindy Cumbie, Nancy Straughan, David Hatfield, Chuck Underwood and Carolyn Hall. The high honor of National Merit Commended student went to Chuck Underwood.

Being first in many areas set the spirit for DC with co-championship in football, championship in basketball, Sweepstakes winners in the ACC Literary Meet and elementary Basketball Championship.

Cheerleaders Have

S-P-I-R-I-T

"Groovy, groovy, groovy, tough, tough, tough" is a perfect description of our 1971-72 cheerleaders. It is a singular accomplishment to be chosen as one of six girls to represent Dallas Christian High School as a cheerleader. But the honor carries with it awesome responsibilities. It requires long hours of practice, tons of patience, a strong voice and most of all that unique ability to radiate CHARGER SPIRIT after a sleepless night spent decorating the gym. Through it all Cindy, Denise, Nancy, Renee, Judy and Terrye exemplified the Christ-like attitude that is representative of our school.

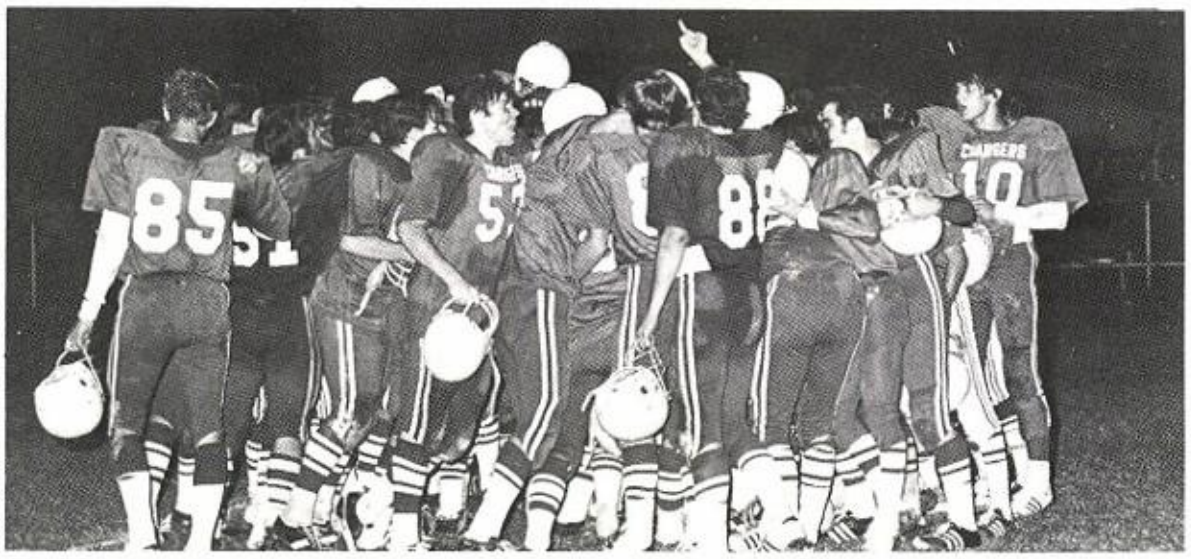
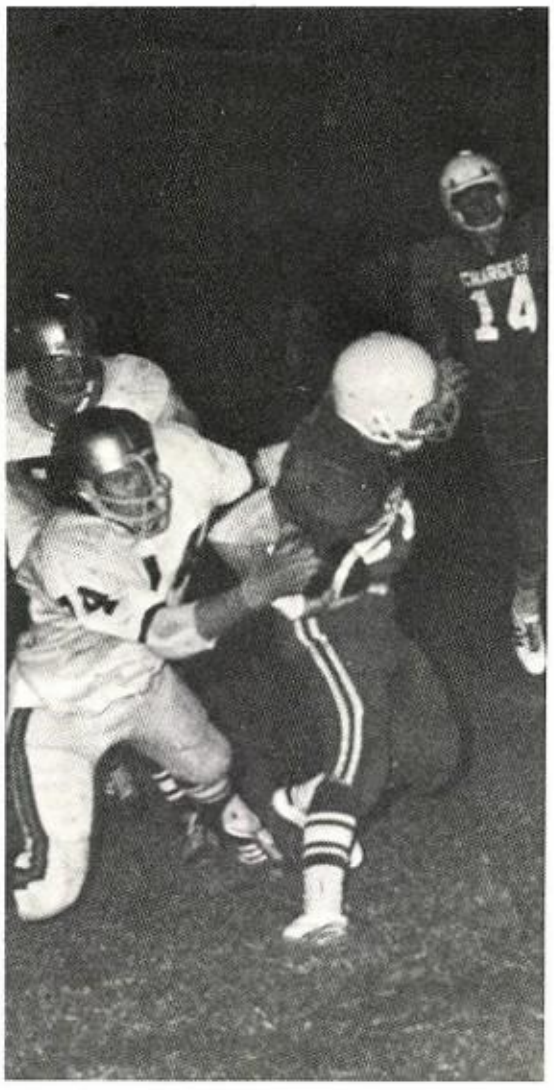
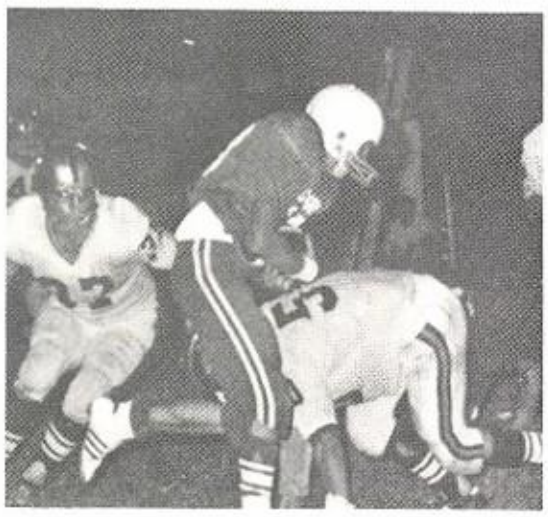
We Did The Impossible — St. Marks

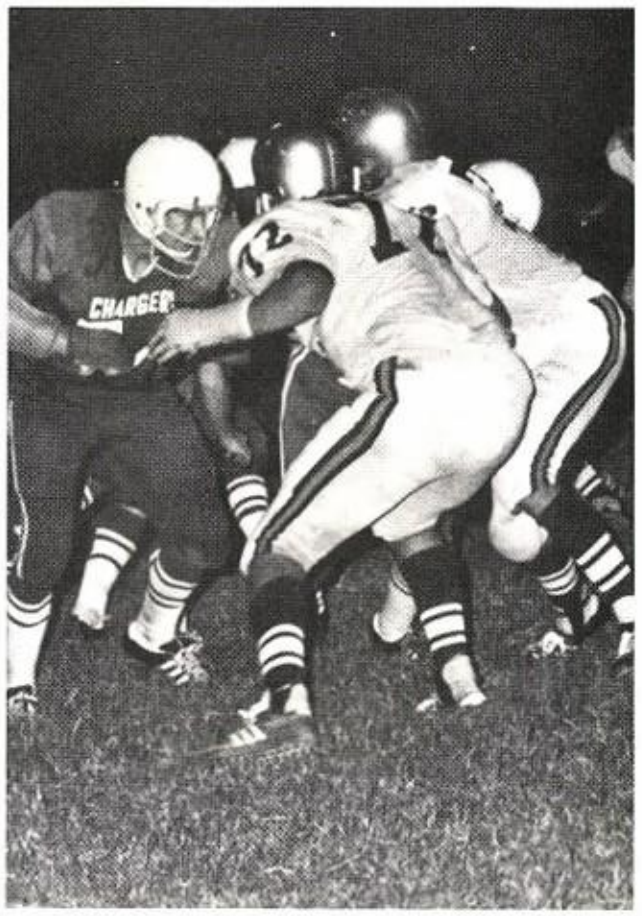
For the first time in DC history, the Chargers defeated the lions of St. Marks. Billy Alexander scored both touchdowns to make the final score DC, 12; St. Marks, 7. The spirit of the Chargers began to take shape as the football season commenced.



Barnes leads way for Billy Alexander.

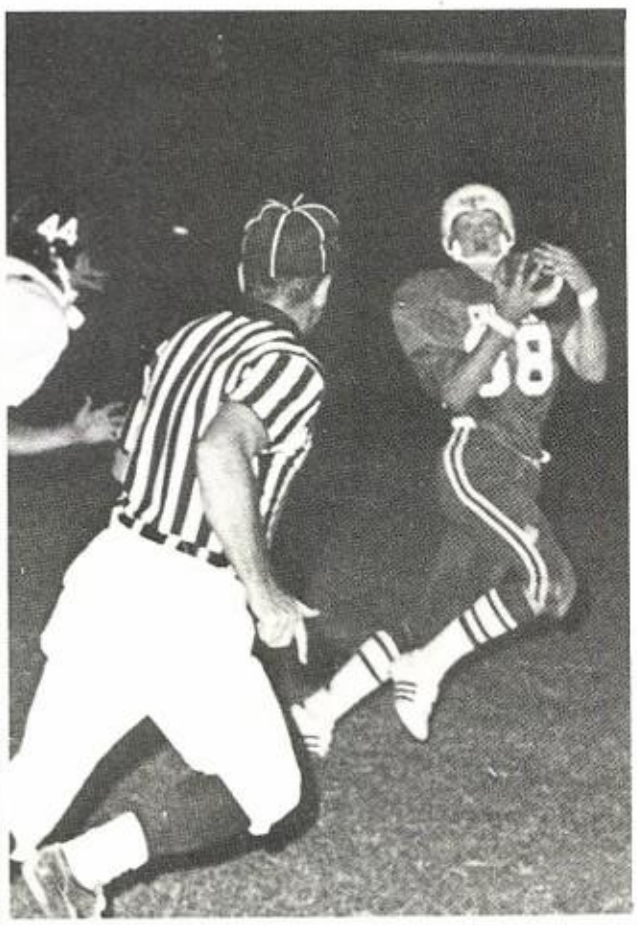




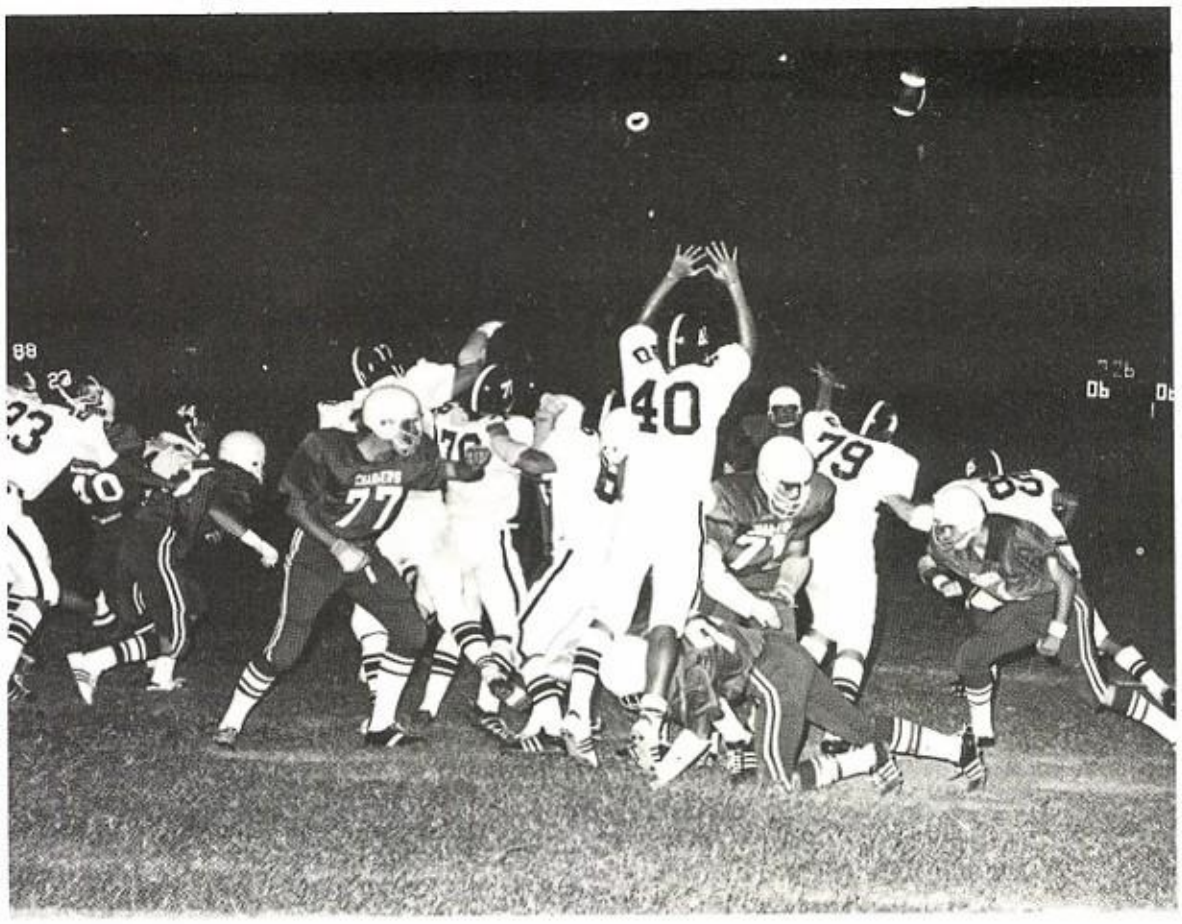


Now We Begin To Show Teamwork

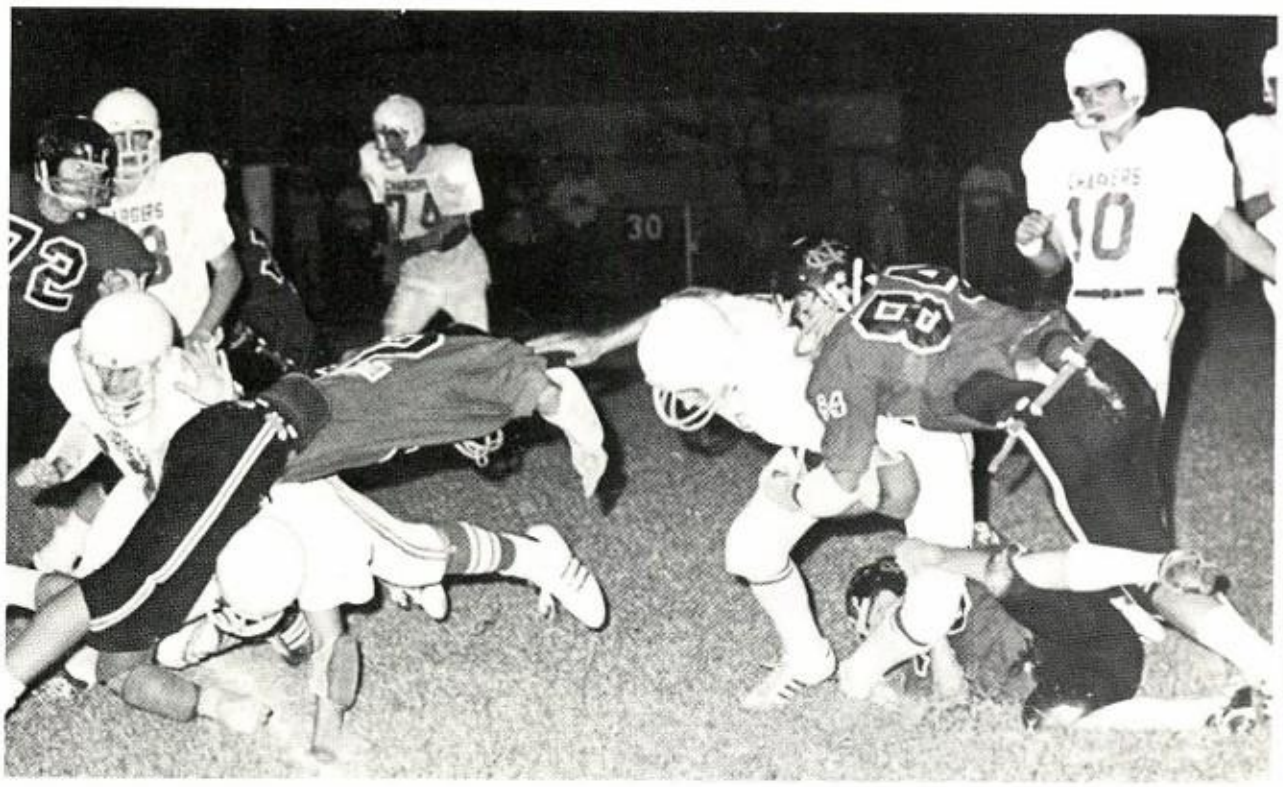
Charger Spirit seemed to falter at the beginning of the Cistercian game when they were leading 6 to 0. But their Spirit revived after the first touchdown by the Hawks.



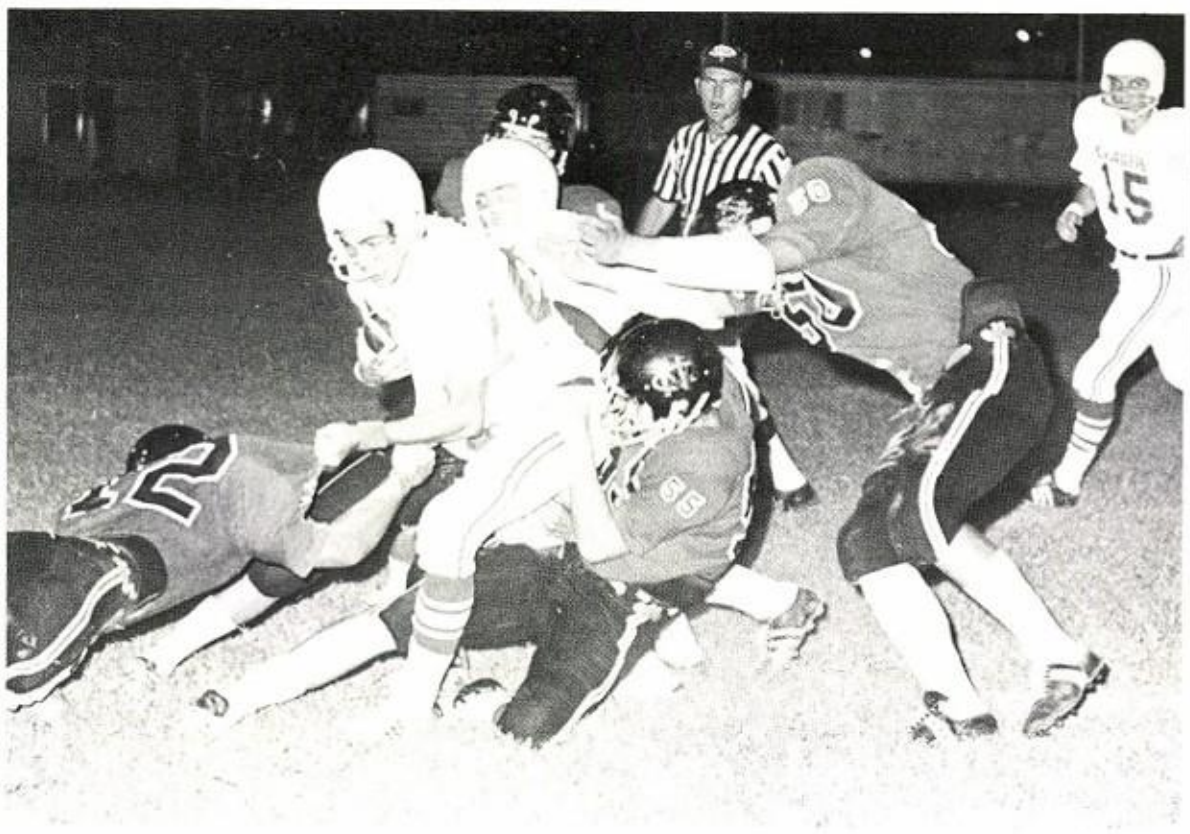
These pictures show Packer kicks as well as he runs.



Sportswriters Can Be Wrong

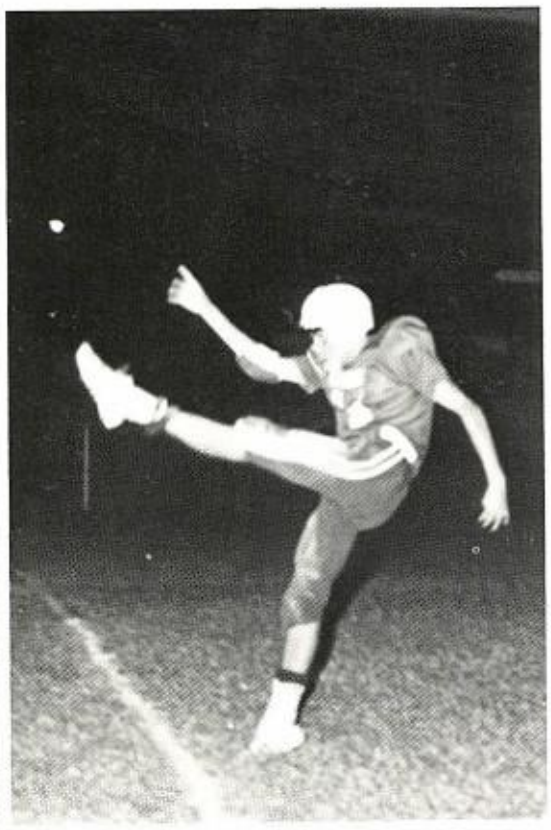


D.C.H.S. outlasted the Raiders of North Garland 19 to 8 with a good sound defensive effort against what would have been the winning drive on the Charger 1 yard line.



The Champions Defeat The Champions

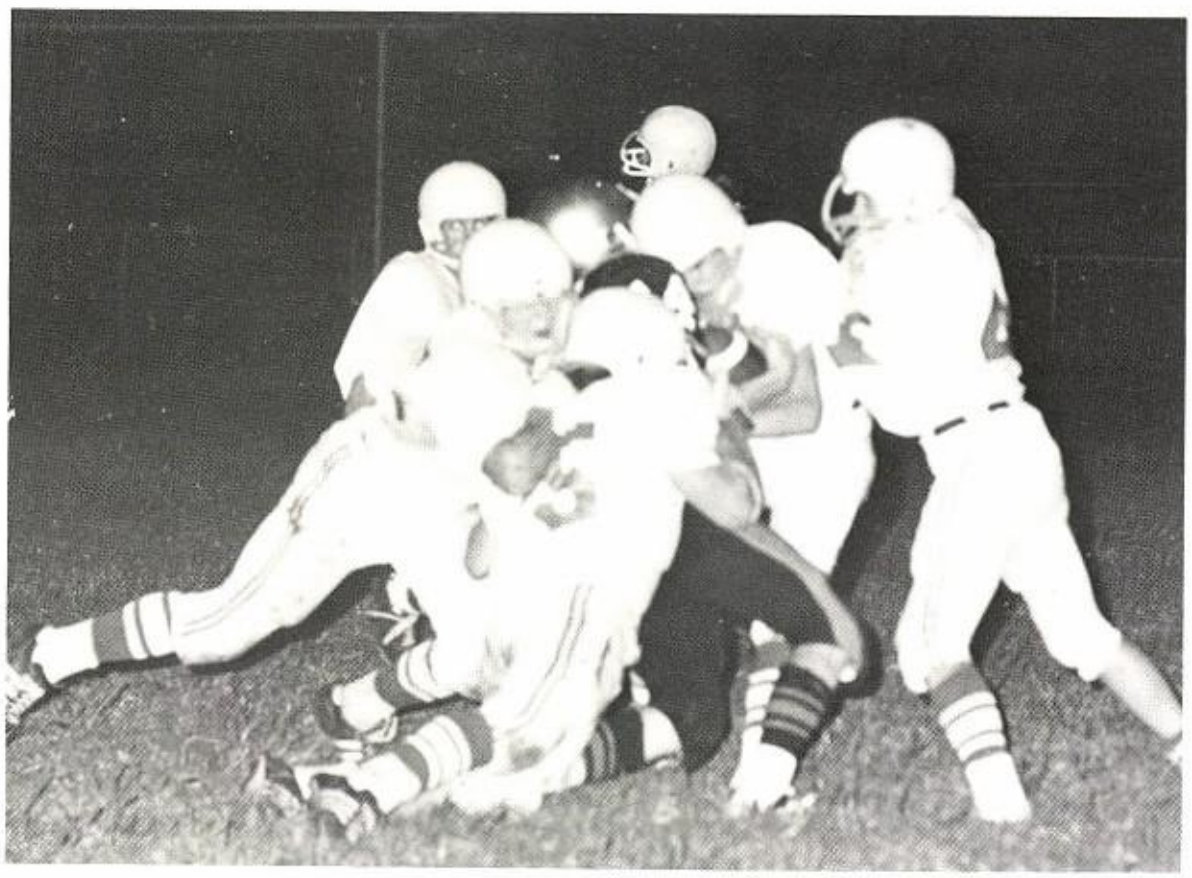
The chargers repelled the Crusaders of Bishop Gorman 7 to 0 with a pass from Lybrand to Bearden with 22 seconds left in the first half. The defense stopped the Crusaders on the Charger 4 yard line to save the victory in the second half.



Old Friends Meet Again

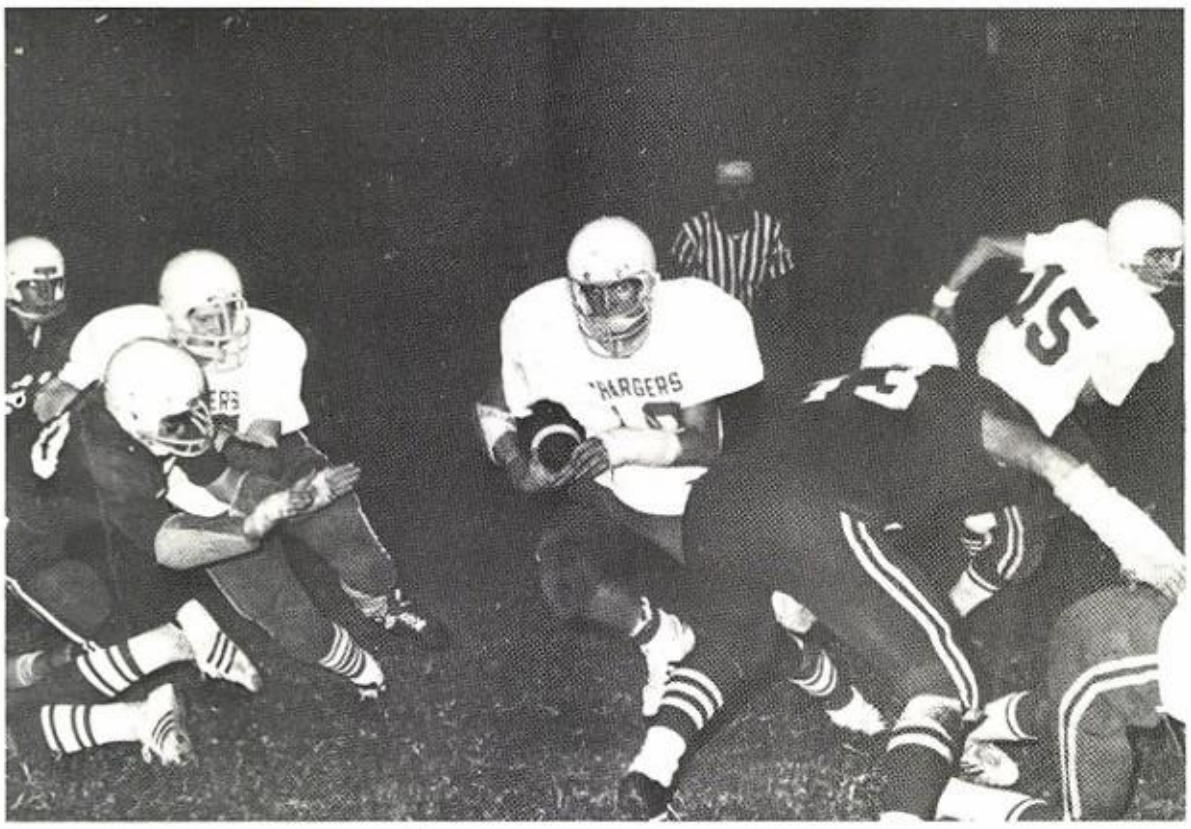
An old friendship was renewed when the Chargers traveled to meet the Bulldogs of Royce City. The Bulldogs didn't show much opposition as the Chargers won 19 to 0.

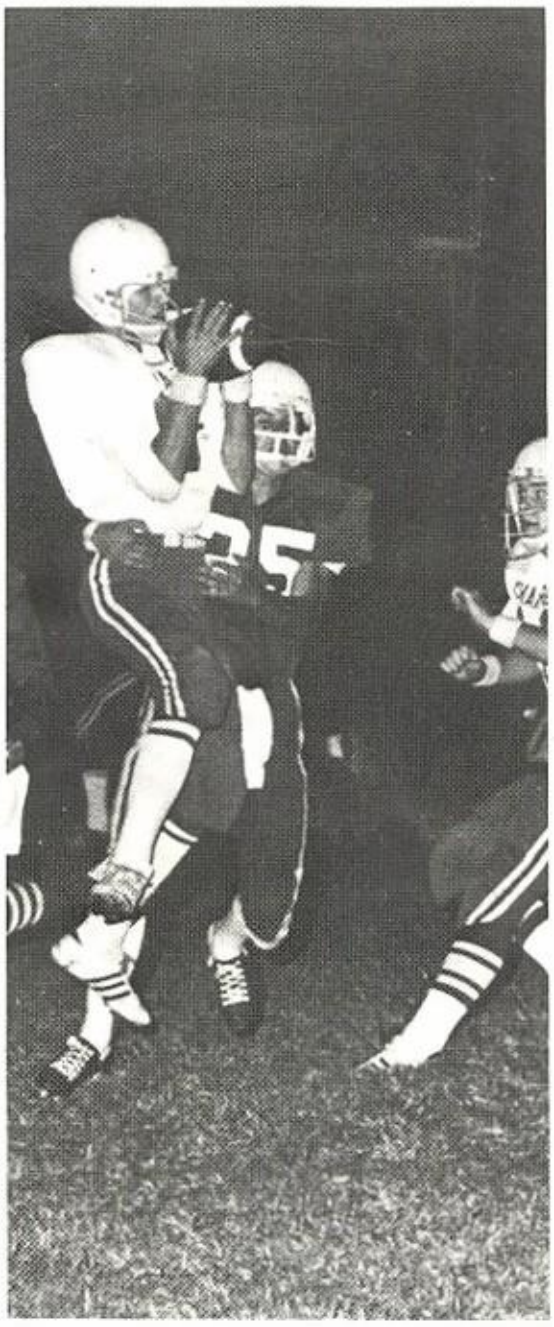
19-0



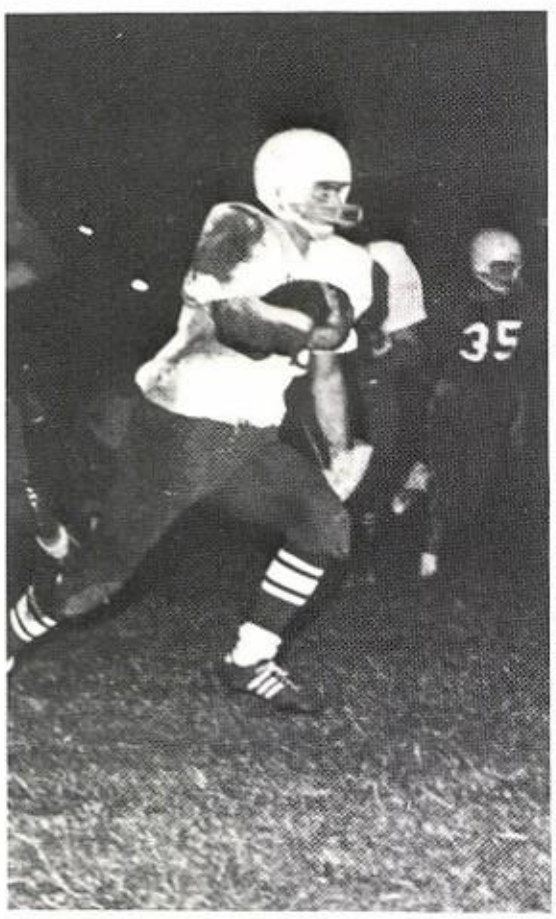
D.C. Makes It 7
In A Row Against F.W.C.

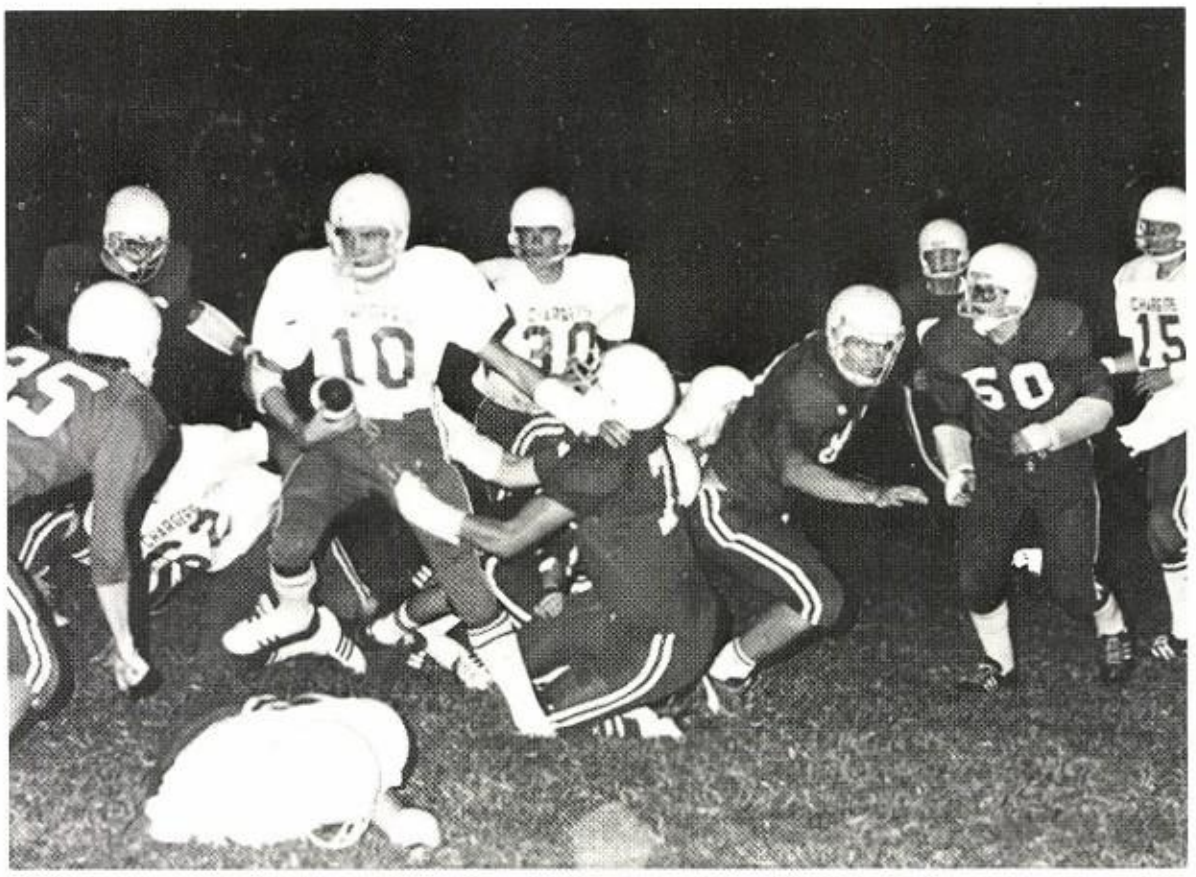
The Chargers rolled to their third straight conference win and seventh win of the season at the expense of the Fort Worth Christian Cardinals. The Cardinals Homecoming was spoiled by Dallas Christian's third shut out in a row.

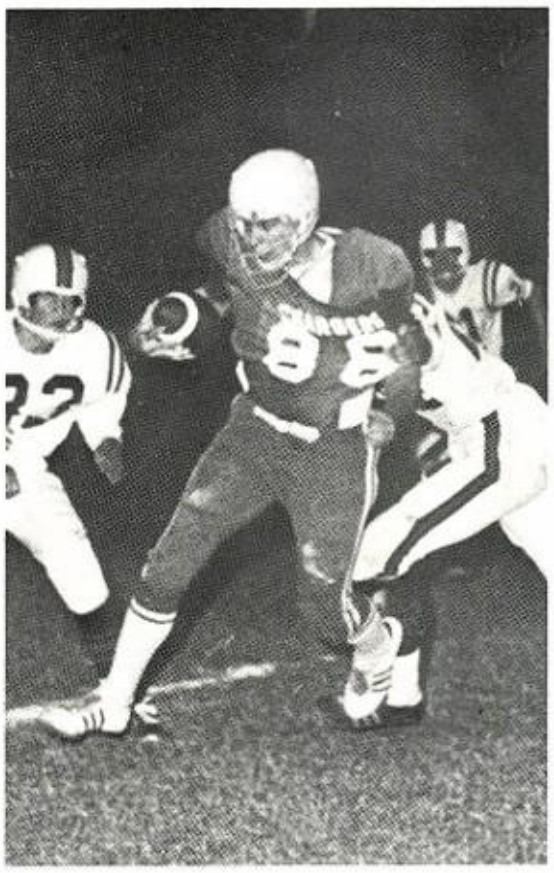




30-0

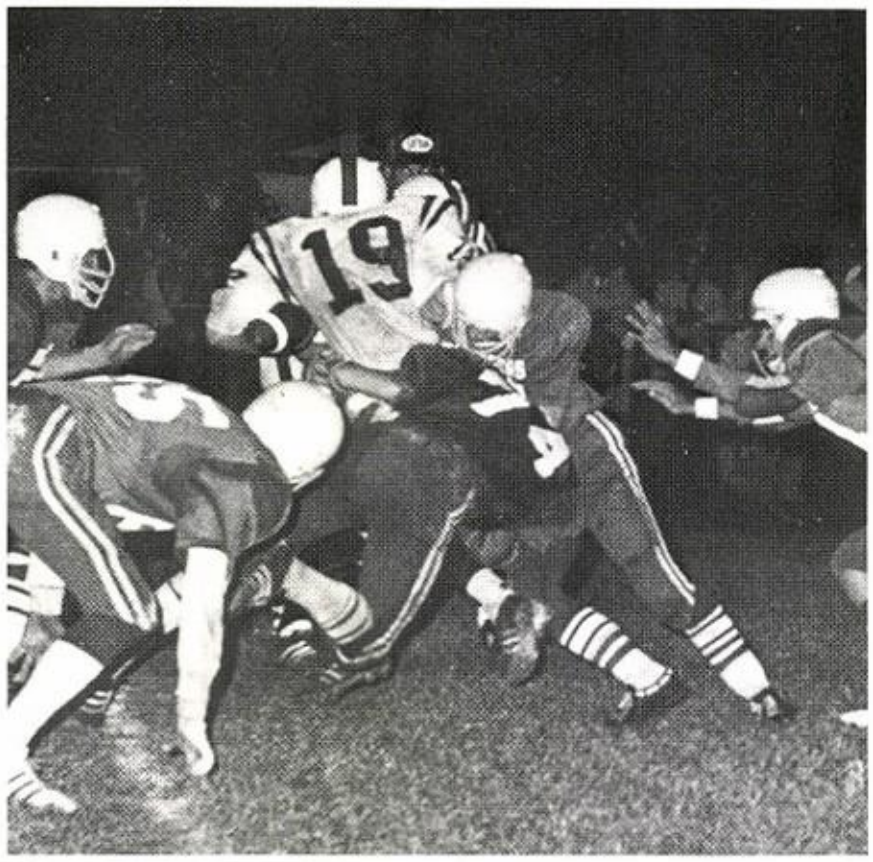


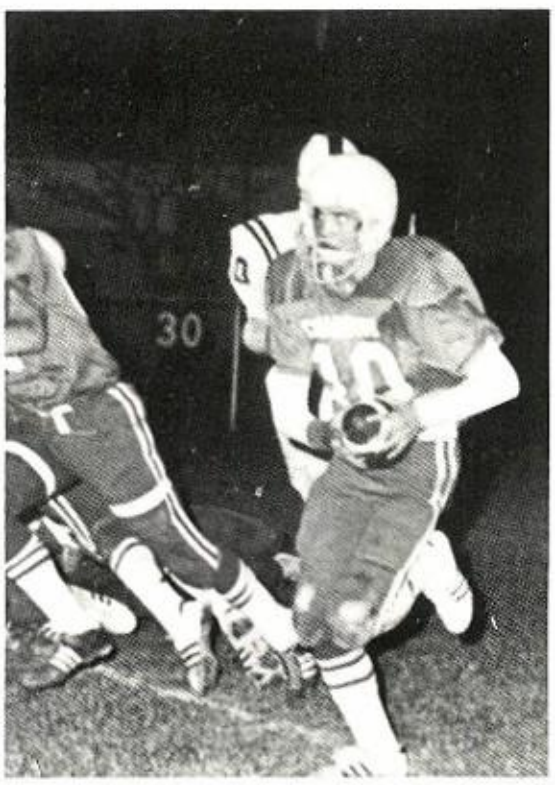


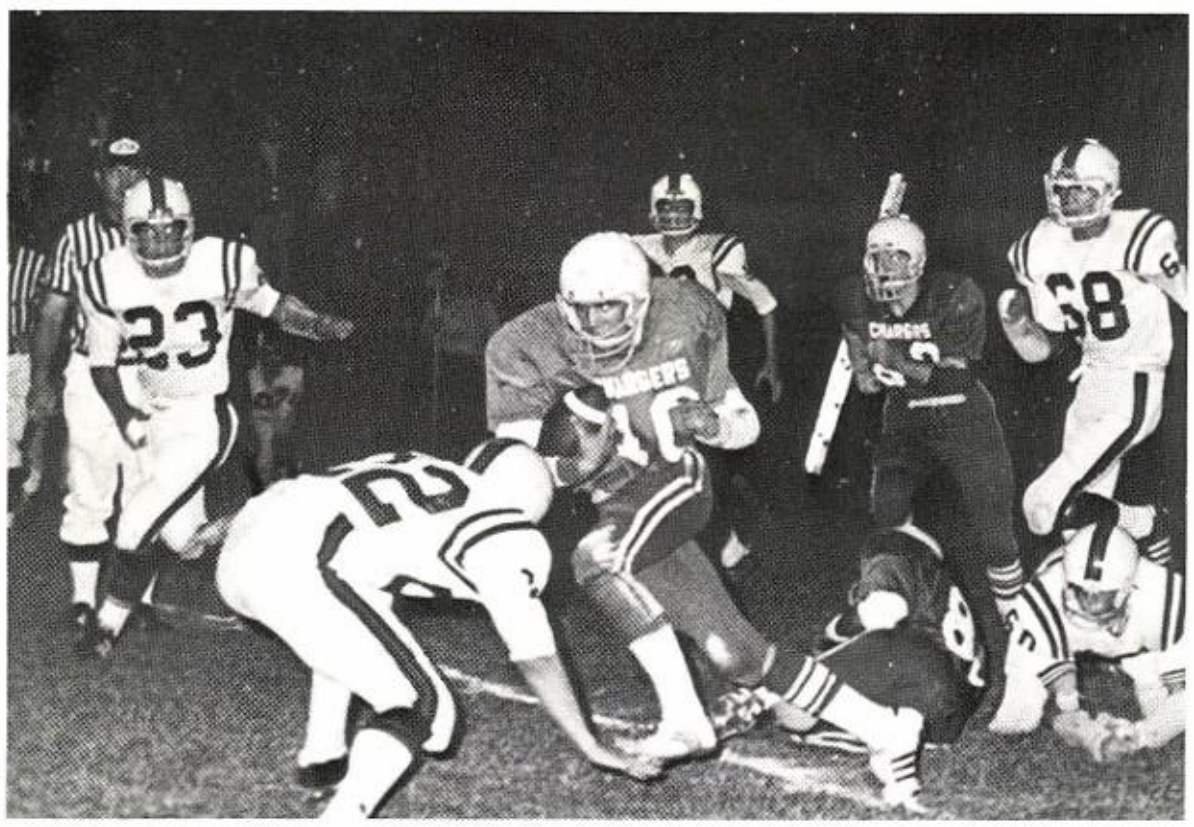


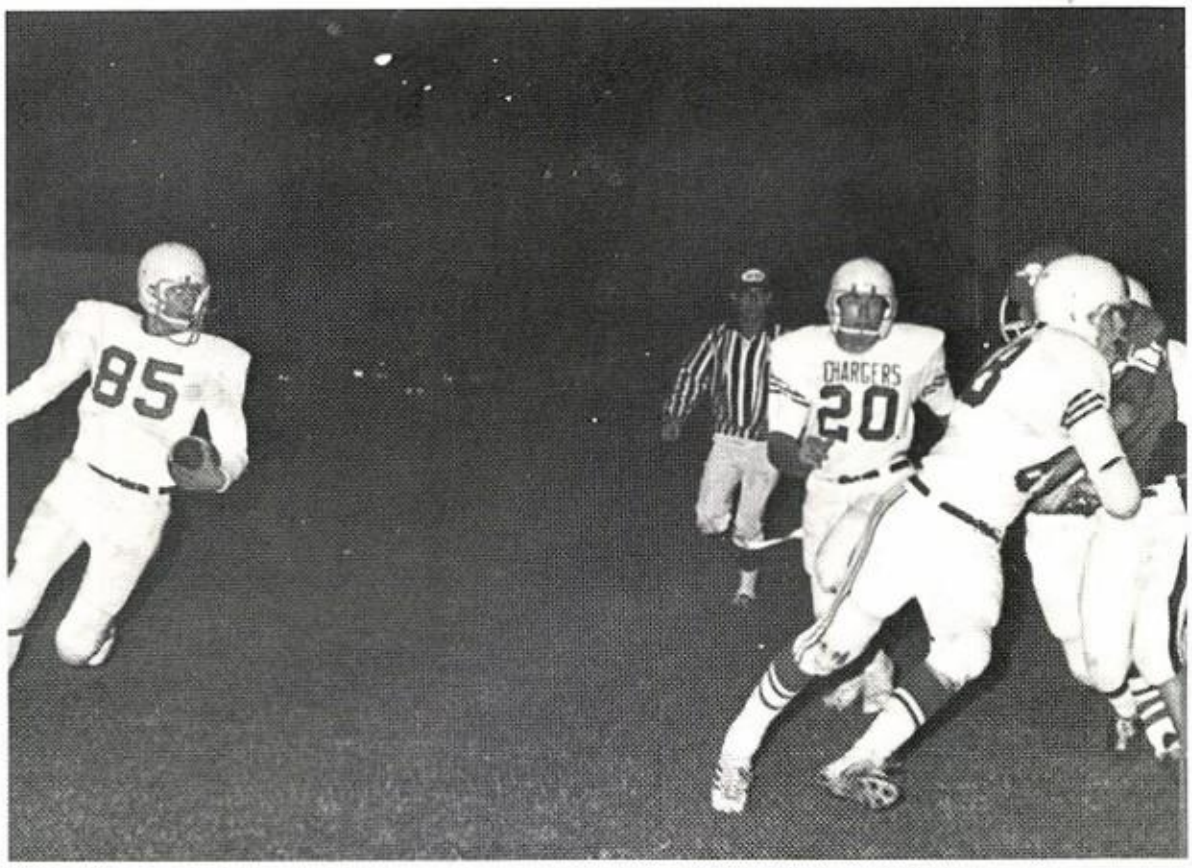
D.C. Unlocks T.I.S.C.

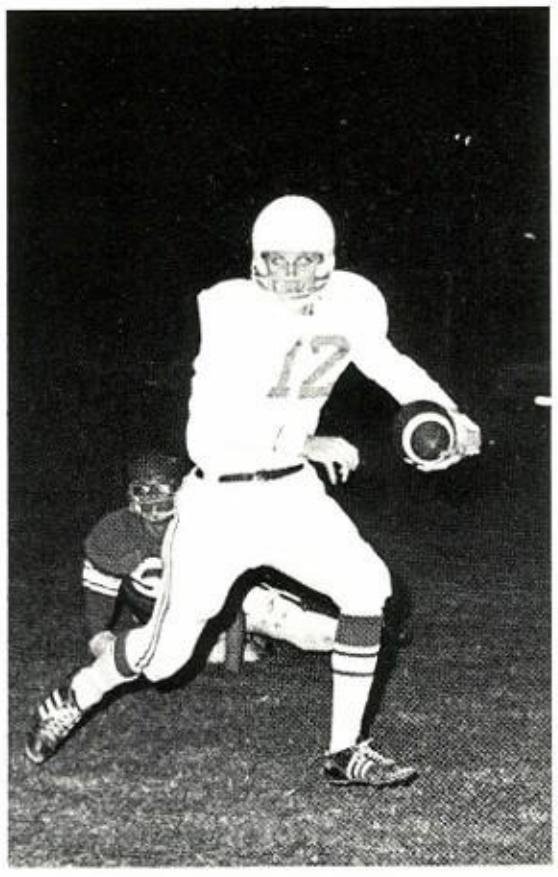
The Homecoming trend was REVERSED as Dallas Christian defeated the Hawks of Fort Worth Country Day. It was a close defensive game, the only score being made by Alexander of Dallas Christian. Brenda Hooker was crowned the Homecoming Queen.





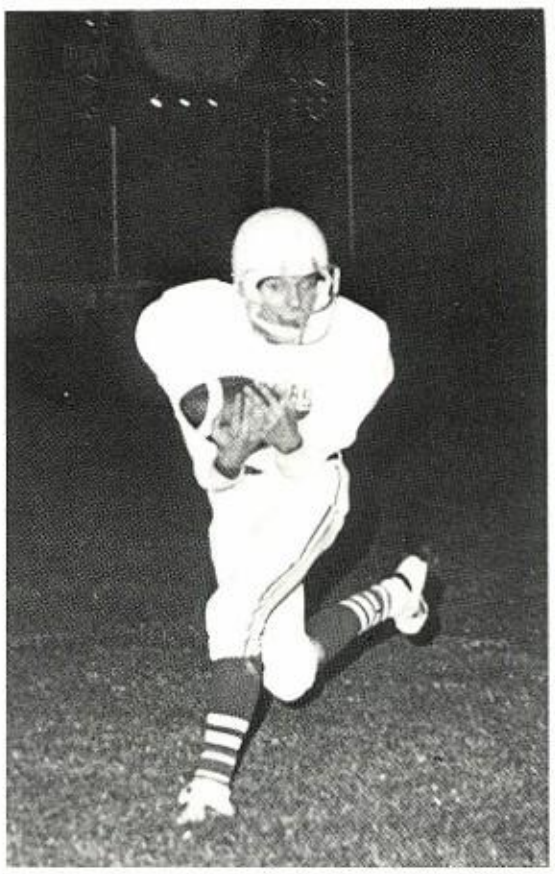


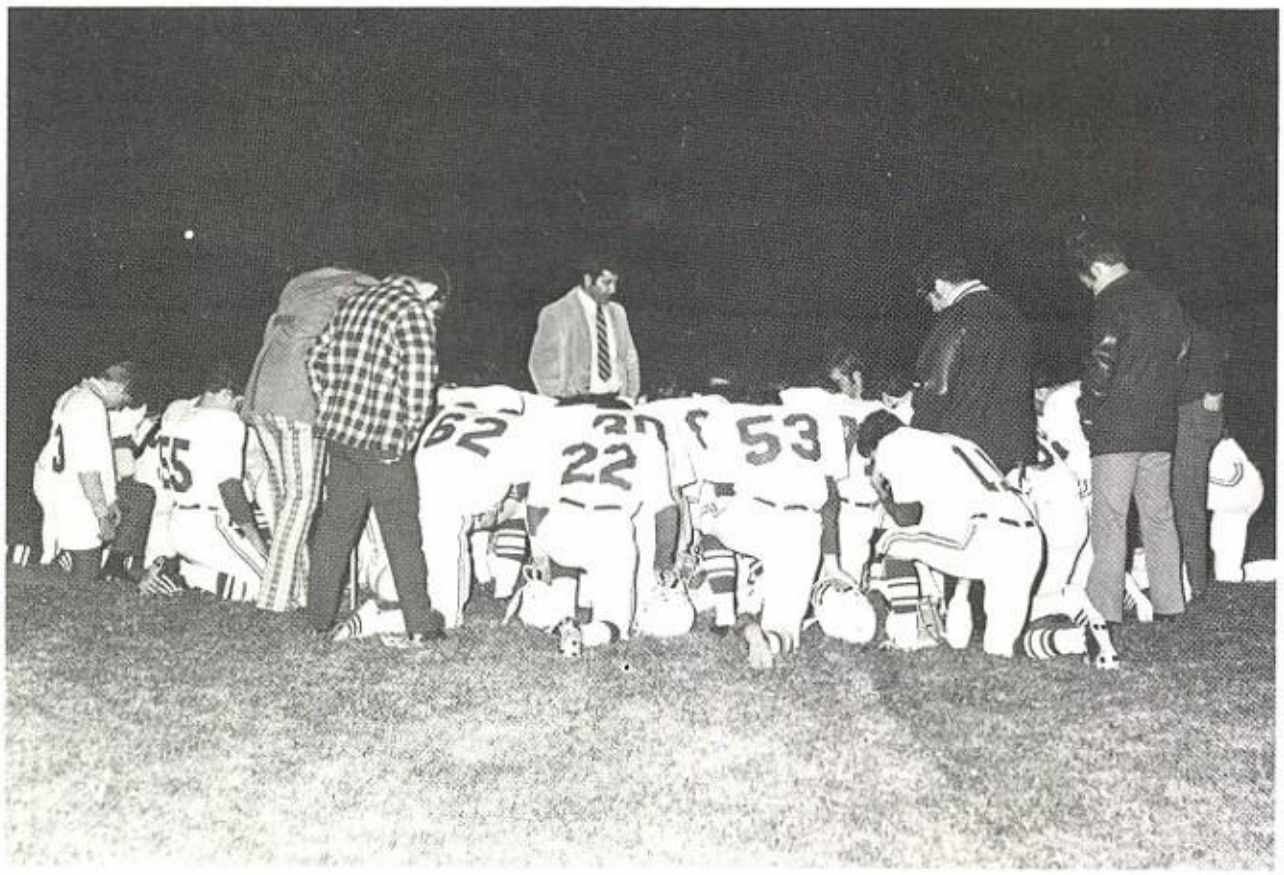




Big Blue (And Red And White) Tames S.H. 31-0

Dallas Christian extended their season record to 9 and 0 against Sacred Heart of Munster. They literally took the shirts off the Tigers backs, as they easily won 31 to 0.





The Chargers' only defeat of the season, their final scheduled game with Greenhill, was a real disappointment. This game meant a great deal. Dallas Christian had never had a 10-0 season. The school's reaction can probably best be seen in comments by the Senior players themselves:

" ... Because of that loss I feel that the team as well as the individual members grew to a tremendous degree ... I thank God for that one defeat."

" ... I was stunned ... then Monday morning I walked up to school and saw the sign that said, "Why I can't tell, but all things work for the good of those (that) love the Lord." That picked me up more than anything anyone could have said or done. I finally realized that Jesus was still with me."

" ... This verse (Rom. 8:28) has gone through my mind countless times it is hard to understand why some things happen, but I have no doubt in my mind that "all things work together for them that love God."

" ... During the game we felt like we were giving 100%, and that's the reason we lost. This taught us a lesson; when you think you've pushed as hard as you can, you can always push more."

" ... I am just thankful for the games God let us win and for the chance to play with the greatest bunch of guys in the world."

" ... Before every game we asked God to help us to be just as good a Christian on the field as we were off."

" ... We all had something this year that was needed very badly - character. Had we not have had character and God on our side, we wouldn't have gone 9-1."

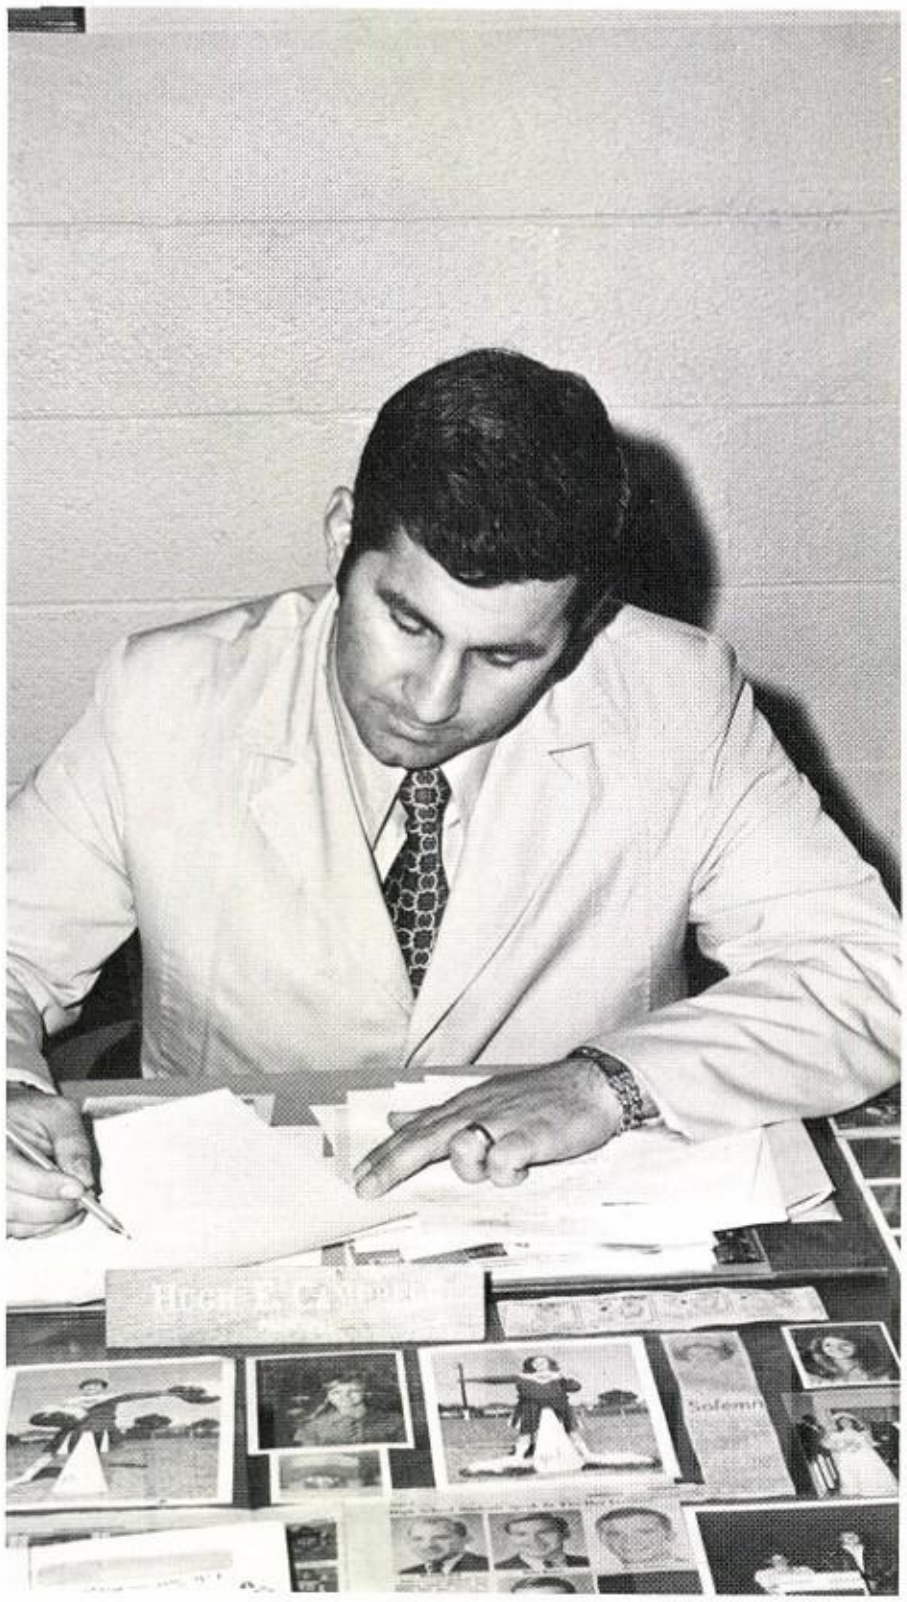
Our appreciation goes to many persons who have given their time on the annual. These people devoted unrequired time so that the annual might be just a little bit better. We give our thanks to the teachers for taking great interest in the year-book and allowing some of their students to spend class time working on it. To the many seniors, juniors and other students on the annual staff, who voluntarialy sold ads, we say thank you. And a very special thanks to Miss Linda Hurn who, although not connected with the school, helped us with art work and ideas. Also, a final thanks to Mr. Winston Atkinson and Mrs. Tillie Prosser for their assistance.

A Special Tribute



The Annual Staff would like to express its deepest appreciation to the above men who have so unselfishly given of themselves to Dallas Christian High. These two men have given a combination of twelve years devoted service. They have been especially kind to the annual staff with their cooperation. Both men have not only given the school many hours of service but they have promoted our school spirit and taught us the importance of a good Christian attitude. For these things and many, many more we wish to give a special thanks to Mr. Barnes and Mr. Campbell. May the Lord richly bless you both in your new work.
